Web Site: www.ReaganRattlerSports.com

Dear Reagan Rattler Parents,

RE: 2009/2010 Reagan Rattler All Sports Program

Be a part of the best All Sports Program in South Texas! The Diamondbacker Sports Association would like to invite you to once again join our winning team by purchasing your personal ads for your Rattler. Wish them a great year, tell them you're proud of their hard work and accomplishments, feature those best friends, show how far your group has come, or recognize those future Rattlers. Whether your son or daughter is involved in cheer, band, pep squads, academic clubs, athletic teams or service groups, they will want to be a part of this big tradition at Reagan. Let them look forward to next season's first home football game and seeing that first published Program!

While Reagan's All Sports Program provides a wonderful keepsake memory for your student, it principally serves to help fund the activities in all our championship level sports programs where district budgets fall short. Between our boys, girls and special needs students there are more than twenty different athletic programs at Reagan and proceeds from our All Sports Program enable us to directly improve the quality of each and every one of these sports. Our student athletes are champions on and off the fields, courts and natatoriums. This would not be possible without your generous support. (Parents, we know *your* budget may be stretched this year too. Please note we have reduced pricing by 10%. We hope this makes continuing to support our All Sports Program a little easier.)

For parents of next year's seniors, the very popular "**From Rattles to Rattlers**" feature will once again showcase our senior students. This favorite section is open to **ALL** seniors, so make sure you get in on the fun!

Please return all order forms and payment no later than July 20, 2009. *Please be specific on the wording you want for your ad!* We have clip art available for all sports as well as Reagan and Rattler logos.

Thank you in advance for your support. We wish you and your student the best of luck in the upcoming school year.
