

Test Drive One 4Ur School – RHS front parking lot – 1pm to 6pm, Sunday, Sep 13

Every year parents groan when school starts, not because the kids are back to the old routine, but instead that it is time for fundraising. The Diamondbackers have found a **great fundraiser that, lo and behold, does not require selling anything**. Hoorah!

Please take a few moments to read the details about the event. We will need everyone's participation to make this the most successful and easy fundraiser we host this year. On **Sunday, September 13 from 1pm-6pm at Reagan HS in the front circle, Ford Motor Company and Northside Ford will be hosting the Drive One 4Ur School fundraiser**. It is as simple as this... **show up during the times stated, test drive a new Ford vehicle, and complete a survey**. For this effort, the **Diamondbackers will receive from Ford \$20 per test drive/survey completed**. The only rules for the event is that the **drivers must be 18 years of age with a valid driver's license and only 1 person per household can test drive for the \$20**. Any of you that just want to take a test drive from the same household are welcome to do so. So, if you have any older children living away from home, friends or other family members, please invite them to participate.

In addition, the service department of Northside Ford is providing the Diamondbackers with certificates, to provide to **those that donate \$20 to the Diamondbackers, good for a complimentary oil change with semi-synthetic oil (5 quarts) and oil filter (\$34.99 value). 100% of the donations go directly to the Diamondbackers**. While you are at the event, although we are estimating your time to test drive to be 10-20 minutes, the Diamondbackers will be grilling hotdogs along with drinks and chips that will be available for a nominal fee.

Ford has agreed that it will pay the \$20 donation for up to a maximum 300 which means \$6,000 to the Diamondbackers to support all of the athletic programs at Reagan. We are hoping to get the maximum drivers to benefit to the fullest extent of the program. Just remember back to all of those years that you have had to sell products or services to raise a percentage of the profits. **This program offers you the opportunity to participate with little effort and no door-to-door sales for the kids and more importantly for the parents.**

So, we look forward to seeing each of you at Reagan in the front circle to take your test drive. We are asking that everyone attending enters the campus through the back gate and parks by the portables/library. We are hoping to minimize the cross traffic in the front parking lots where the test drives will be completed.

If you have any questions, please send an e-mail to kayleen.middleton@gmail.com. See you soon!
